# 2015

Looking to save some “thyme” and still put healthy food on the table? Become a member of Stokes Farm’s **Thyme Saver Box** program! Each week, we’ll prepare a specially selected box of fresh, seasonal, local produce just for you- all you need to do is pick it up! Have the kids in the back seat? Call us from the parking lot and we’ll bring the box to your car. Going to be out of town? Send a friend to pick up your box for you.

Each **Thyme Saver Box** is full of fresh Stokes Farm produce, along with locally sourced items like peaches, apples, and corn. Most items in your box will be grown on our farm. Other items will be from family farms within 75 miles of ours.
